Blessing Hearts
MINISTRIES

What a blessing that we are already seeing fruit from this expansion to the Dominican Republic! Wilckly, along with two other pastors in the area, has already been holding services twice a week, one on Sunday mornings in Haitian Creole, and one in the afternoon in Spanish. Especially the Haitians nearby have been so excited and grateful to finally have a service in their language and in the manner to which they are accustomed. Each service has grown in attendance, and the people are asking that we begin a children's program as well!

Please pray for wisdom for Wilckly and all leadership involved, for continued growth and fervor, not just for fellowship, but for the Word of God, and for Christ overall. Pray that those attending would not simply come to church on Sundays, but that what they hear would infuse them with joy and hope and changed hearts, that they would live out their faith throughout the week and that others in the community would be drawn to Christ in them.

*Yours in Christ,
Wilckly and Dee Dorcé*

BACK TO SCHOOL

Though a bit later in the year than those of you in the U.S., we are finally looking to re-open our Haiti school for the year. There are many things to consider as we plan, in order to keep our students and teachers safe in the midst of such turmoil in the country. We will keep you updated as things progress, but our most immediate need is teacher salaries.

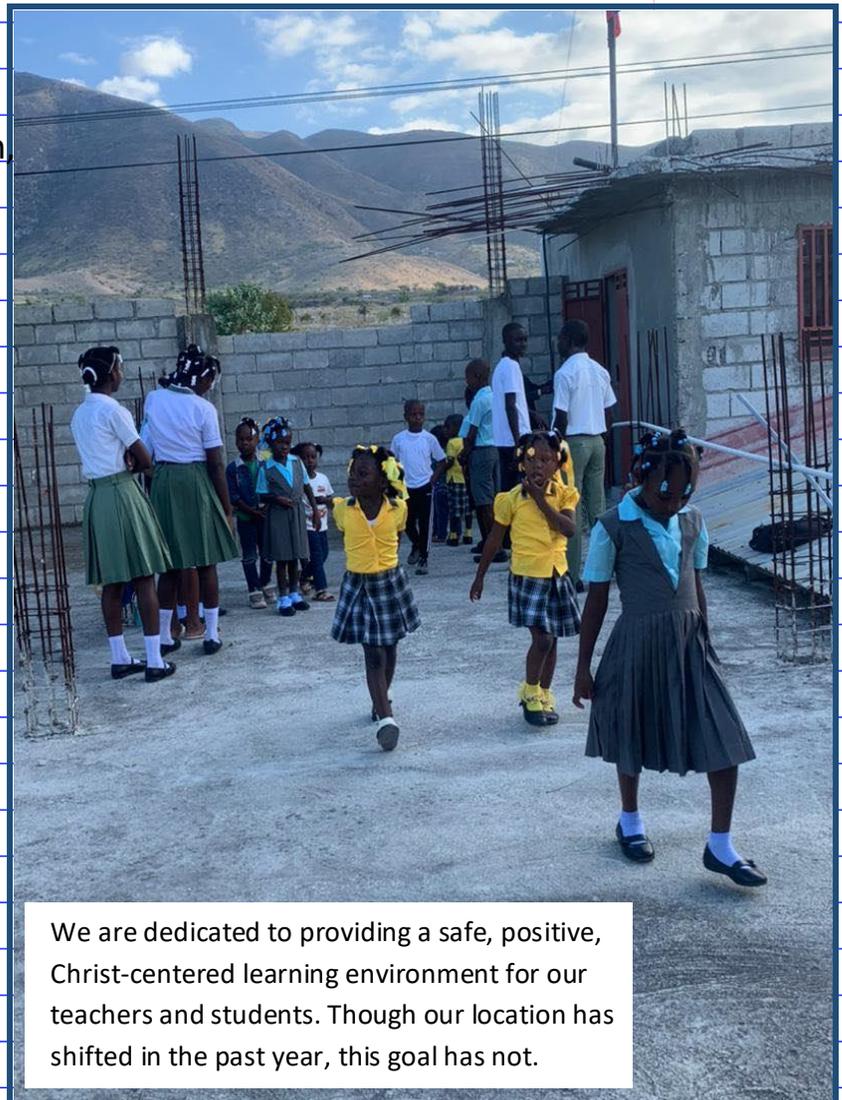

Thank you SO much for all of you who have continued your monthly donation towards helping us cover this cost. In order to continue covering this expense we are in need of \$600 more a month. This could

mean 6 more individuals pledging to give \$100 a month, or 12 individuals going in on it together, or even whole churches or Sunday schools or Bible study groups splitting the cost between several.

Please pray about how you can partner with us in this way, or how you can help spread the word about this immediate need.

**THANK
YOU**

We are dedicated to providing a safe, positive, Christ-centered learning environment for our teachers and students. Though our location has shifted in the past year, this goal has not.
